

Run Sheep Run. (15 p.)

Choose ONE of the following options. Read both options carefully before you make your choice. Pay attention to format, style, content and grammar. Base your answers on the context of the story.

- a. Write an informal letter from Alice Babcock to a friend in Danfield. The letter should be dated the day before the class election. Mention: how Alice feels in her new school and why, who her friends are, what she hopes will happen the following day and why she believes it will happen. Make up an address and a date.
- b. Write an informal letter from Alice Babcock to a friend in Danfield. The letter should be dated two weeks after the class election. Mention: what Alice expected to happen and why she expected it to happen, what actually happened, how she felt then and how she feels now. What she thinks of Nancy and why. Make up an address and a date.
