## *The Dog and His Master*

A dog went to a well to drink some water. The dog jumped happily up and down at the side of the well. Suddenly the dog fell into the water. The dog cried, "Help! Help! Someone please come and get me!" The dog's master was working in a field nearby. When he heard the poor animal's cries, he quickly ran to the well and jumped in to rescue it. It was very difficult, because the well was very deep. But the brave master climbed slowly to the top of the well and pulled his dog out. Just at that moment, the foolish dog bit his master's hand. "You wild animal!" cried the angry master. "Is this how you thank me for saving your life?" Then he threw the dog back into the cold water below!

### **Answer.**

- 1 How did the dog get into the well?
- 2 What did the dog cry?
- 3 Where was the dog's owner at the time?
- 4 Why was it difficult to rescue the dog?
- 5 How did the brave master get the dog out of the well?
- 6 Why did the master throw the dog back into the well?
